Paperback - Wikipedia
Turns out, the paperback, also known as a softback or softcover book, has been around for a long time. In the early nineteenth century, improvements in printing technology enabled printers to produce cheaper, smaller versions of popular books aimed at railway travelers. British and German publishing houses, like Routledge & Sons and Reclam, found success marketing these new paperback books. The portable volumes could be mass-produced and distributed to non-traditional locations, where they ...
