Mysterious Abduction by Rita Herron | Audiobook | Audible.com

The Trail of Tears was a series of forced relocations of approximately 46,000 Native Americans between 1830 and 1850 by the United States government. Members of the Cherokee, Muscogee (Creek), Seminole, Chickasaw, and Choctaw nations (including thousands of their black slaves) were forcibly removed from their ancestral homelands in the Southeastern United States to areas to the west of the ...

A reader-favorite romantic suspense from USA Today bestselling author Rita Herron. Fearful yet determined, Ivy Stanton returns to the small Appalachian town she left fifteen years ago...the night her parents were murdered. But in coming home to Kudzu Hollow, she discovers she is not alone in her search for the truth: Matt Mahoney, the man who saved her life, who haunts her dreams, who was wrongfully accused of the crime, has come back, too, demanding answers—and justice. When Matt looks into Ivy's eyes, he sees a woman whose pain mirrors his own. The feelings she stirs within him promise a life he never thought he'd have. But evil still resides in this sleepy mountain town, as do secrets worth killing for. Now danger stalks them both, and Matt is fighting for more than vengeance...he's fighting for their future. Originally published in 2006.

A New York Times Bestseller & Oprah's Book Club Pick Young Julie Harmon works “ hard as a man, ” they say, so hard that at times she ' s not sure she can stop. People depend on her to slaughter the hogs and nurse the dying. People are weak, and there is so much to do. At just seventeen she marries and moves down into the valley of Gap Creek, where perhaps life will be better. But Julie and Hank ' s new life in the valley, in the last years of the nineteenth century, is more complicated than the couple ever imagined. Sometimes it ' s hard to tell what to fear most—the fires and floods or the flesh-and-blood grifters, drunks, and busybodies who insinuate themselves into their new life. To survive, they must find out whether love can keep chaos and madness at bay. Their struggles with nature, with work, with the changing century, and with the disappointments and triumphs of their union make Gap Creek a timeless story of a marriage.

Utah Blaine saves Joe Neal, owner of the 46 Connected Ranch, but when another murder attempt succeeds, Blaine finds himself alone to face a gang of greedy ranchers

One man wants to kill her...the other will die to protect her.... Just when the residents of Slaughter Creek think they're safe, a sadistic serial killer strikes. Someone they're calling “ The Dissector. ” Someone who keeps his victims' body parts as gruesome trophies.... Special Agent Liz Lucas has been on leave, recovering from the trauma of her last case. But returning to find the Dissector will demand extra caution—especially with her former lover Special Agent Rafe Hood leading the investigation. The last time the two worked together, passions ran high and Liz nearly lost her life. Now, even though their attraction is more magnetic than ever, Liz and Rafe must resist getting involved again and focus on stopping this crazed killer. But as the body count rises and the Dissector's kills become more personal, Rafe soon realizes that Liz may be his next victim....

The predators become prey in a breathless novel of revenge from a USA Today bestselling author. Still haunted by his wife's murder--and stained by the blood of avenging it--FBI special agent Hatcher McGee can't believe he's being teamed up with rookie agent Korine Davenport. She is his most guilty secret--the one-night stand who almost cost him everything. Korine has her own demons. As a child, she witnessed her father's murder, and she's spent her life waiting for the killer's return. She and Hatcher are both looking for closure, but the disturbing case that draws them together could be their last. When the mutilated body of a corrupt Savannah judge surfaces, Hatcher and Korine find themselves on the trail of a vigilante who is showing no mercy. Not for the predators who've gone free. And not for anyone who gets in the way. As the body count rises, and as Hatcher's and Korine's own pasts unfold, they must risk their lives tracking a killer they've come to understand all too well. After all, the ends justify the means.

A psychological horror with a literary twist, *Kill Creek* delivers elevated prose, while evoking the unnerving, atmospheric terror essential to greats like Peter Straub and Stephen King—a haunting that lingers long after turning the last page.

Asteroids are crashing to Earth as Rick Munday fights to reach his family and save thousands more souls along the way. Watch out! Tribulation will get you out there...

This provocative work challenges traditional accounts of Meriwether Lewis and William Clark ' s expedition across the continent and back again. Uncovering deeper meanings in the explorers ' journals and lives, Exploring Lewis and Clark exposes their self-perceptions and deceptions, and how they interacted with those who traveled with them, the people they discovered along the way, the animals they hunted, and the land they walked across. The book discovers new heroes and brings old ones into historical focus. Thomas P. Slaughter interrogates the explorers ' dreams, how they wrote and what they aimed to possess, their interactions with animals, Indians, and each other, their sense of themselves as leaders and men, and why they feared that they had failed their nation and President. Slaughter ' s Lewis and Clark are more confused, frightened, courageous, and flawed than in previous accounts. They are more human, their expedition more dramatic, and thus their story is more revealing about our own relationships to history and myth.

The “ riveting ” #1 New York Times bestseller: A true story of three wealthy families and the unbreakable ties of blood (Kirkus Reviews). The first bodies found were those of a feisty millionaire widow and her daughter in their posh Louisville, Kentucky, home. Months later, another wealthy widow and her prominent son and daughter-in-law were found savagely slain in Winston-Salem, North Carolina. Mystified police first suspected a professional in the bizarre gangland-style killings that shattered the quiet tranquility of two well-to-do southern communities. But soon a suspicion grew that turned their focus to family. The Sharps. The Newsoms. The Lynches. The only link between the three families was a beautiful, aristocratic young mother named Susie Sharp Newsom Lynch. Could this former child “ princess ” and fraternity sweetheart have committed such barbarous crimes? And what about her gun-loving first cousin and lover, Fritz Klenner, son of a nationally renowned doctor? In this tale of three families connected by marriage and murder, of obsessive love and bitter custody battles, Jerry Bledsoe recounts the shocking events that ultimately took nine lives, building to a truly horrifying climax that will leave you stunned. “ Recreates . . . one of the most shocking crimes of recent years. ” —Publishers Weekly “ Absorbing suspense. ” —Chicago Tribune “ Astonishing . . . Brilliantly chronicled. ” —Detroit Free Press “ An engrossing southern gothic sure to delight fans of the true-crime genre. Bledsoe maintains the suspense with a sure hand. ” —The Charlotte Observer

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In this poignant and deeply sensual new contemporary romance—perfect for readers of Susan Elizabeth Phillips and Rachel Gibson—Molly O ' Keefe proves that lost loves don ' t have to stay lost forever. Dallas TV morning show host Madelyn Cornish is poised, perfect, and unflappable, from her glossy smile to her sleek professionalism. No one knows that her iron will guards a shattered heart and memories of a man she ' s determined to lock out. Until that man shows up at a morning meeting like a bad dream: Billy Wilkins, sexy hockey superstar in a tailspin—still skating, still fighting, and still her ex-husband. Now the producers want this poster child for bad behavior to undergo an on-air makeover, and Billy, who has nothing to lose, agrees to the project. It ' s his only chance to get near Maddy again, and to fight for the right things this time around. He believes in the fire in Maddy ' s whiskey eyes and the passion that ignites the air between them. This bad-boy heartbreaker wants a last shot to be redeemed by the only thing that matters: Maddy ' s love. “ Irresistible and satisfying . . . addictive and sexy romance at its best. ” —New York Times bestselling author Susan Mallery “ Molly O ' Keefe is a unique, not-to-be-missed voice in romantic fiction. ” —New York Times bestselling author Susan Andersen
