research involves the study of groups and people as they go about their everyday lives. Carrying out such research involves two distinct activities.

Chapter 1: Fieldnotes in Ethnographic Research

Writing Ethnographic Fieldnotes by Robert M. Emerson. In this companion volume to John van Maanen's "Tales of the Field", three scholars reveal how the ethnographer turns direct experience and observation into written fieldnotes upon which an ethnography is based. Drawing on years of teaching and field research experience, the authors develop a series of guidelines, suggestions and practical advice about how to write useful fieldnotes in a variety of settings, both cultural and institutional.
